

Name _____ Grade _____ Instrument _____

Post Video-watching Reflection • HS Band Winter 2009

Free Response: These comments will be shared with the ensemble. Write brief paragraphs to answer the following questions.

How has your perception of the concert changed now that you are looking at it from an audience's perspective?

What did you notice about your section?

What are some comments you would share with another section? (Name that section and write a brief comment to them.)

Did you see yourself in the video? What did you notice?

List five specific things that you noticed from the video and write a brief description of your thoughts on each topic.

You may use the following areas to focus on: phrases, entrances, releases, breathing, posture, dynamics, tempo, tone, articulation, blend, balance, solos, concert dress, etc...

Remember that ensembles always sound better live than on a recording. This was a very successful concert with a lot of musical styles presented in a very professional manner. Great job, keep striving for excellence!~Mr. F
